ADHESIVE PVC FREE

DECORATING · RENOVATE · RELOOK

DOORS · WALLS · CREDENZAS · FURNITURE

PEEL & STICK · WRINKLE-FREE · TEAR PROOF

Discover the multiple creative possibilities for the range **ADH'ECO FILM Kitchen**, the perfect self-adhesive decoration to personalize doors, walls, credenzas or any others interior furnitures...

An innovative solution, quick to install, to renovate and relook your kitchen or your bathroom instantly.

Suitable for all types of smooth interior surfaces, wall, plaster, plasterboard, wood panels, MDF...
All the surfaces must be cleaned, dried and dust-free.

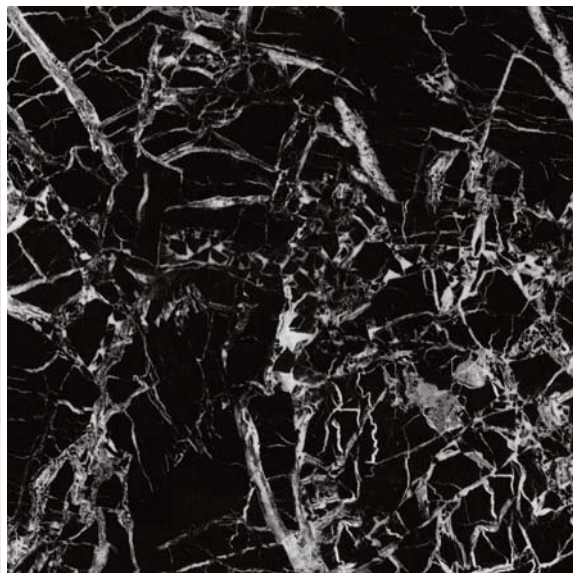

Apply at a temperature between 15°C and 25°C. In the case of laying on tiles, it is recommended that all joints and tiles be plastered to achieve a smooth surface to avoid any transparency effect.

ADH'ECO FILM Kitchen a commitment to the future every day...

PVC FREE / HALOGENS FREE / SOLVENT FREE / PHTHALATES FREE

- **Eco-responsible** : its chemical composition allows for complete recycling
- Complies with **REACH**, the European standard against harmful substances
- Flame retardant : EN 13501-1;2007+A1;2009 **Class B-s1,d0**
- Ultra-resistant : **tear proof** with a thickness of **150 microns**
- **Wrinkle-free** : easy to apply, 'PEEL AND STICK' for an immediate result
- **Repositionable** : while applying without any adhesive residues
- Washable, **waterproof** and **anti-oil**
- **Without shrinkage**, as it does not contain any plasticizer
